RE: Standard Scrap Metal/Chicago International Exporting Site
Chicago, Illinois

Dear Mr. Cohen:

After a review of available information, the United States Environmental Protection Agency (U.S. EPA) has determined that Bud Cohen may not be a Potentially Responsible Party (PRP) under CERCLA, in the matter of the Standard Scrap Metal/Chicago International Exporting Site. Information provided on September 30, 1994, submitted in response to a 104(e) Request for Information, indicated that "Bud Cohen" and Lawrence A. Cohen are the same person. At this time Bud Cohen is being removed from the list of PRPs; however, Lawrence A. Cohen will remain on the list of PRPs. Should additional information become available, U.S. EPA will notify you.

Please contact Kurt N. Lindland, of the Office of Regional Counsel, at (312) 886-6831, or Debbie F. Regel, Enforcement Specialist, at (312) 353-7632, if you have any questions. Thank you for your cooperation and attention to this matter.

Sincerely,

Richard C. Karl, Chief
Emergency & Enforcement Response Branch
